

Innovation Premium

Dear SIBE/ SISP students and alumni,

With the »Schumpeter Innovation Prize«, named after Joseph Alois Schumpeter, one of the most successful economists of the 20th century, SIBE benefits their students and alumni who initiate innovation projects in a company.

Have you significantly contributed to an innovative SIBE project/ SISP research project that will be or was launched in your or in another company? Then apply for the »Schumpeter Innovation Prize«.

We as SIBE and SISP see the projects as stimulation for business growth and innovation, and we would like to support creative ideas. That is why we honor project initiatives with attractive premiums.

Conditions:

How can you participate? Quite simple: you need to be a student or alumni of SIBE or SISP and a (co-)initiator of another SIBE project/SISP research project (not your own!). Our engagement must be visible at the beginning of the vacancy and can be identified with you. The working (doctoral) student can study the SIBE-Management-Master (M.Sc.), the online study program (M.A./MBA) at SIBE or the Doctor of Business Administration (DBA) program.

If this is the case, simply fill in the premium application and get your premium.

We are looking forward to innovative projects.

Your SIBE and SISP Team

Note: Please check the compliance guidelines of your company before submitting an application. In order to process and track premium requests, data on recommendations will be stored in our Electronic database.

Premium:

- Fuel voucher (250 Euro)
- Amazon voucher (250 Euro) for a country of your choice
- Ab-in-den-Urlaub.de voucher (250 Euro)
- HelpCard (250 Euro) www.helpdirect.org for a donation to a project of your choice

The recommendation of students is excluded of the initiative »Schumpeter Innovation Prize«. Please note the related premium offer »Networking@SIBE/SISP« outside this initiative.

This offer is only for started projects and for (doctoral) students and alumni of SIBE or SISP.

Innovation Premium

Application form

First Name: _____ Name: _____

Street: _____ Zip Code: _____ City: _____
