

Networking@SIBE and SISP

Dear students and alumni of SIBE and SISP,

Thank you for recommending us to your former fellow students, colleagues or friends.

If a new student is getting started with one of our programs (SIBE- Management-Master (M.Sc.), M.A./MBA online study program) or our Doctor of Business Administration (DBA) program, we will be happy to thank you for your recommendation with a reward.

You can choose one of the following rewards:

- Amazon voucher (50 €) in a country of your choice
- A HelpCard from www.helpdirect.org for a donation to a project of your choice (50 €)

There are a few easy steps to receive your Networking@SIBE reward:

You can submit a reward as soon as the student or doctoral candidate recommended by you has started his/her studies/doctorate at SIBE/SISP. For this purpose fill in the application form below. For us to be able to assign your recommendation to the new student/doctoral candidate, we will need her/him to mention your name during the application process.

Please send the completed form on page 2 to:

SIBE der Steinbeis-Hochschule Berlin
Sonja F. Reichert
Kalkofenstrasse 53
71083 Herrenberg
Germany

or via e-mail to reichert@steinbeis-sibe.de

If you have any questions, please don't hesitate to contact Ms. Reichert via +49 (0) 70 32 – 94 85 – 20.

Thank you in advance for recommending our programs!

Your SIBE and SISP Team

Notice

Please check the compliance guidelines of your company before submitting an application. In order to process and track premium requests, data on recommendations will be stored in our electronic database.
